### ACTIVITY-6: Extension Lectures/Seminar on 'Mental Health' and 'Personality Development'

As per College Memo No. 1899 dated 15-09-2025, The Personality Development and Placement Cell of Government College, Mangali organized a seminar on "Mental Health" and "Personality Development" is essential for Success in Life" on dated 24-09-2025. A seminar was organised on the topic 'Mental Health' is important for success in life'. Officiating Incharge Dr. Meena Rani welcomed the keynote speaker Senior Professor Dr. Nirmala Kaushik and gave the students the basic mantra to develop their personality to achieve success in life. In her address, the chief speaker Dr. Nirmala Kaushik, Guru Gorakhnath Ji Government College, Hisar, provided information to the students on the topics of 'Basic Principles of Mental Health' and 'Personality Development' for success in life. Dr. Vijayanti Jakhar successfully conducted the programme and presented a beautiful quote of Dr. A.P.J. Abdul Kalam that nothing can disturb your peace of mind unless you allow it yourself. Grudges are for those who insist they deserve something; however, forgiveness is for those who are determined enough to move forward. We must fight to achieve our goals. On this occasion, 53 students participated actively; many staff members including Dr. Manjeet Singh, Dr. Vijeta Nehra, Dr. Kamalpreet, and Dr. Monika were present.

### ACTIVITY-7: Expert Lecture/Extension Lectures/Seminar on 'Ornamental Fish Farming' and 'Aquaculture Fabrication'

As per College Memo No. 1932 dated 26-09-2025, Personality Development and Placement Cell of Government College, Mangali, Hisar organized seminars on ornamental fish farming and aquaculture Fabrication for the youth as entrepreneurship opportunities. The Principal Dr. Suman Malik welcomed the keynote speaker. The keynote speaker, Dr. Kavita Sharma, Assistant Professor, Department of Fisheries Resource Management, COFS, Chaudhary Charan Singh Haryana Agricultural University, Hisar highlighted the features of fisheries in entrepreneurship, keeping entrepreneurship at the centre. She gave detailed information on various species of fish, artificial breeding, pond management and modern techniques of fisheries. Dr. Kavita Sharma said that due to the availability of water resources in India, there are immense possibilities in the field of fisheries.

Dr. Vijayanti Jakhar, coordinator of the placement cell, thanked the guests and said that the information provided by them would be beneficial for the students. At the end of the programme, a question and answer session was organised in which the students actively participated. She encouraged students to pursue careers in this field. She also shared information about government schemes to promote fisheries. 64 students participated actively. Chhatrapal Sharma, retired Indian Air Force, Dr Dayanand Arya, Dr Kamalpreet Kaur, Mr Ajay Kumar, Mrs Meenu, Mrs Seema and other staff members were present on the occasion.

**ACTIVITY-8: Expert Lecture/Extension Lecture/Seminar on "Vermicompost: A Tool for Agripreneurship Development for the Unemployed Youths of India" and "Vermicompost and Worm Breeding at Any Scale"**

As per College Memo No. 1949 dated 30-09-2025, The Personality Development and Placement Cell of Government College, Mangali, Hisar, organized informative seminars on "Vermicompost: A Tool for Agripreneurship Development for the Unemployed Youths of India" and "Vermicompost and Worm Breeding at Any Scale" on dated 11-10-2025. The event aimed to create awareness among students about vermicomposting as a sustainable livelihood and promising entrepreneurial opportunity. Officiating Incharge Dr. Meena Rani welcomed the keynote speaker and appreciated the initiative for motivating students toward self-employment and environmental conservation. Dr. Vijayanti Jakhar, Coordinator of the Personality Development and Placement Cell, shared that the seminar was organized to help students understand the fundamentals of vermicomposting and its potential as a profitable venture for unemployed youth. Delivering the keynote address, Dr. Ravikant, Assistant Professor, Department of Zoology, Chaudhary Charan Singh Haryana Agricultural University, Hisar highlighted the immense potential of vermicomposting as a sustainable and profitable agribusiness model. He explained that vermicomposting using earthworms to convert organic waste into nutrient-rich manure offers dual benefits of effective waste management and income generation. With rising demand for organic food and eco-friendly fertilizers, vermicompost production provides a low investment, high-return opportunity that can be undertaken at any scale, from household units to commercial enterprises. Dr. Ravikant further elaborated on worm breeding techniques, the required conditions such as moisture, temperature, and aeration, and the use of efficient species like *Eisenia fetida* and *Eudrilus eugeniae*. He underscored the importance of training programs to build youth capacity in technical and entrepreneurial aspects. Encouraging collaboration between government agencies and agricultural universities, he called for promoting vermicomposting as a tool for rural employment, environmental conservation, and sustainable agriculture. In conclusion, Dr. Ravikant emphasized that vermicomposting is not merely waste management but a powerful instrument for youth empowerment and agripreneurship development in India. Dr. Vijayanti Jakhar thanked the guests and encouraged students to pursue careers in this eco-friendly enterprise. 53 students participated actively. Faculty members Dr Mohinder Singh, Dr. Sudesh, Dr. Manjeet Singh, Dr. Vijeta nehra, Dr. Kamalpreet Kaur, Mr. Ajay Kumar and Mrs. Seema were also present on the occasion.

#### ACTIVITY-9: Expert Lecture/Extension Lecture/Seminar on "Turning Trash into Treasure and Sustainable Designs, Meaningful Impact"

As per College Memo No. 2017 dated 11-10-2025, The Personality Development and Placement Cell of Government College, Mangali (Hisar) recently organized insightful seminars on the themes "Turning Trash into Treasure" and "Sustainable Designs, Meaningful Impact" on dated 16-10-2025. The programme aimed to create awareness among students about the importance of waste management, creative reuse of materials, and sustainable design practices as tools for innovation, environmental protection, and entrepreneurship. The event commenced with a warm welcome from Principal Dr. Anju Chaudhary, who appreciated the initiative for guiding students toward self-reliance, skill enhancement, and eco-friendly business ideas. Dr. Vijayanti Jakhar, Coordinator of the Personality Development and Placement Cell, shared that the seminar was organized to familiarize students with the scientific, economic, and practical aspects of sustainable design and resource utilization. She encouraged participants to develop innovative ideas that promote environmental conservation while supporting self-employment and rural entrepreneurship. Delivering the keynote address, Mrs. Kanchesh, Assistant Professor of Zoology, Guru Gorakhnath Ji Government College, Hisar, highlighted the importance of integrating sustainability into modern lifestyles. She discussed various examples of recycling, upcycling, and waste-to-wealth initiatives that not only protect the environment but also generate income and employment. The seminar concluded with an engaging interactive session, where students enthusiastically shared ideas on turning waste materials into useful products. Expressing gratitude, Dr. Vijayanti Jakhar extended a heartfelt vote of thanks and motivated students to pursue innovation with environmental consciousness. Faculty members including Dr. Dayanand Arya, Dr. Manjeet Singh, Dr. Vijeta Nehra, Dr. Kamalpreet Kaur, Mr. Ajay Kumar, and Mrs. Seema were also present on the occasion. Overall, the programme inspired students to view sustainability as a pathway to creativity, entrepreneurship, and positive societal impact. 64 students participated actively. Faculty members including Dr. Dayanand Arya, Dr. Sudesh, Dr. Manjeet Singh, Dr. Vijeta Nehra, Dr. Kamalpreet Kaur, Mr. Ajay Kumar and Mrs. Seema were also present on the occasion. Overall, the programme inspired students to view sustainability as a pathway to creativity, entrepreneurship, and positive societal impact.

**ACTIVITY-10: Expert Lecture/Extension Lecture/Seminar on "Entrepreneurship Opportunities in Broiler & Layer Farming" and "Backyard Poultry: A Sustainable Livelihood Model for Youth".**

As per College Memo No. 2015 dated 11-10-2025, The Personality Development and Placement Cell of Government College, Mangali, Hisar, organized a series of insightful seminars on "Entrepreneurship Opportunities in Broiler & Layer Farming" and "Backyard Poultry: A Sustainable Livelihood Model for Youth" on dated 18-10-2025. The programme aimed to create awareness among students about poultry farming as a viable option for self-employment, income generation, and rural economic development. Officiating Incharge Dr. Meena Rani extended a warm welcome to the keynote speaker and appreciated the initiative for guiding students toward self-reliance, skill development, and environmentally responsible business practices. Dr. Vijayanti Jakhar, Coordinator of the Personality Development and Placement Cell, shared that the seminar was organized to acquaint students with the fundamentals of poultry farming and to showcase its potential as a profitable agribusiness venture for unemployed youth. Delivering the keynote address, Dr. Pooja Rani, Assistant Professor of Zoology, Government College for Women, Hisar, elaborated on the significance of backyard poultry as a low-investment, high-return enterprise that supports both nutritional security and financial stability in rural households. She discussed opportunities in broiler and layer farming, focusing on scientific rearing practices, feed management, disease control, and marketing strategies. Dr. Pooja Rani further encouraged students to leverage government schemes, training initiatives, and cooperative models to establish successful poultry-based enterprises. The seminar concluded with an interactive session, during which students actively participated and clarified their doubts. Expressing gratitude, Dr. Vijayanti Jakhar extended a heartfelt vote of thanks and motivated students to pursue poultry entrepreneurship as a promising career path. 53 students participated actively. Faculty members Dr. Vijeta Nehra, Dr. Dayanand Arya, Dr. Manjeet Singh, Dr. Sudesh, Dr. Meena Rani, Dr. Kamalpreet Kaur, Mr. Ajay Kumar, and Mrs. Seema were also present on the occasion.

### ACTIVITY-11: Expert Lecture/Extension Lecture/Seminar on "Sericulture-based Agroforestry Model for Youth" and "Entrepreneurship Opportunities in Silk Reeling and Weaving Cluster Development"

As per College Memo No. 2017 dated 11-10-2025, The Personality Development and Placement Cell of Government College, Mangali (Hisar) recently organized a series of insightful seminars focusing on the themes "Sericulture-based Agroforestry Model for Youth" and "Entrepreneurship Opportunities in Silk Reeling and Weaving Cluster Development." The event commenced with a warm welcome from Officiating Incharge Dr. Sudesh, who applauded the initiative for steering students towards self-reliance, skill development, and environmentally responsible entrepreneurship. Dr. Vijayanti Jakhar, Coordinator of the Personality Development and Placement Cell, elaborated that the seminar series was organized to acquaint students with both the scientific and economic dimensions of sericulture-based agroforestry. The keynote address was delivered by Dr. Sarita, Associate Professor, Department of Zoology, Guru Gorakhnath Ji Government College, Hisar. She emphasized that integrating sericulture with traditional farming could enable unemployed youth to launch profitable agribusiness ventures with minimal investment and ecological benefits. She detailed the economic, ecological, and employment potential of the sericulture sector. Dr. Sarita explained how adopting a cluster-based model in silk reeling and weaving can foster sustainable livelihood opportunities, particularly benefiting rural women and small farmers. The discussion also covered various government schemes and support mechanisms available to encourage youth entrepreneurship in sericulture. The seminar concluded with an interactive session where students expressed enthusiastic interest in exploring sericulture as a viable enterprise. Expressing gratitude, Dr. Vijayanti Jakhar extended a heartfelt vote of thanks and encouraged students to pursue sericulture entrepreneurship as a promising career path. 49 students participated actively. Faculty members including Dr. Dayanand Arya, Dr. Manjeet Singh, Dr. Vijeta Nehra, Dr. Kamalpreet Kaur, and Mrs. Seema also participated in the event. Overall, the programme inspired participants to view sericulture as a unique blend of science, sustainability, and entrepreneurship for a brighter rural future.

## मंगाली में छात्रों को मिला रेशम उद्योग में उद्यमिता के अवसरों का ज्ञान

हिसार • विज्ञापित : राजकीय महाविद्यालय मंगाली के पर्सनैलिटी डेवलपमेंट एवं प्लेसमेंट सेल द्वारा युवाओं के लिए रेशम पालन आधारित कृषि वनीकरण माडल और रेशम कटाई एवं बुनाई क्लस्टर विकास में उद्यमिता के अवसर विषयों पर एक सेमिनार का आयोजन किया गया। कार्यक्रम की शुरुआत कालेज की कार्यवाहक प्रभारी डा. सुदेश ने की।

उन्होंने कहा कि ऐसे आयोजन छात्रों को आत्मनिर्भरता, कौशल विकास और पर्यावरणीय जिम्मेदारी के साथ उद्यमिता की दिशा में अग्रसर करते हैं। सेल की संयोजक डा. विजयन्ती जाखड़ ने बताया कि इस सेमिनार मुख्यता का उद्देश्य छात्रों को रेशम पालन आधारित कृषि, वनीकरण के वैज्ञानिक और आर्थिक पहलुओं से अवगत कराना है ताकि वे इस क्षेत्र में रोजगार और उद्यमिता के नए

अवसरों को समझ सकें। मुख्य वक्ता गुरु गोरखनाथ जी सरकारी कालेज से सह प्राध्यापक डा. सरिता ने कहा कि यदि रेशम पालन को पारंपरिक खेती के साथ जोड़ा जाए तो बेरोजगार युवा कम निवेश में लाभदायक कृषि, व्यवसाय शुरू कर सकते हैं। उन्होंने रेशम उद्योग की आर्थिक, पारिस्थितिक और रोजगार संबंधी संभावनाओं पर विस्तार से चर्चा की।

डा. सरिता ने बताया कि रेशम कटाई और बुनाई में क्लस्टर आधारित माडल अपनाने से ग्रामीण महिलाओं और छोटे किसानों को सतत आजीविका के अवसर मिल सकते हैं। उन्होंने इस क्षेत्र में युवाओं को प्रोत्साहित करने हेतु सरकारी योजनाओं और सहयोग तंत्रों की भी जानकारी दी। कार्यक्रम में डा. दयानंद आर्य, डा. विजेता नेहरा, डा. कमलप्रतीत कौर और सीमा आदि मौजूद रहे।

### ACTIVITY-12: Expert Lecture/Extension Lecture/Seminar on "Entrepreneurial Motivation & Decision-Making" and "Green Entrepreneurship: Building Sustainable Businesses"

As per College Memo No. 2109 dated 31-10-2025, The Personality Development and Placement Cell of Government College, Mangali, Hisar, organized two insightful and informative seminars on "Entrepreneurial Motivation and Decision-Making" and "Green Entrepreneurship: Building Sustainable Businesses" on dated 04-11-2025 at 11:00 am. The event was held under the esteemed guidance of Officiating Incharge Dr. Sudesh, who inaugurated the session with an inspiring address and highlighted the significance of entrepreneurship in today's dynamic economic environment and encouraged students to cultivate innovation, self-confidence, and a proactive mindset. The program was efficiently coordinated by Dr. Vijayanti Jakhar, Convenor of the Personality Development and Placement Cell. She spoke about the Cell's continuous efforts to prepare students for future challenges through such awareness programs and skill-oriented activities. The Keynote Speaker, Dr. Dinesh Kumar, Assistant Professor of Commerce, F.G.M. Government College, Adampur, delivered a highly engaging and thought-provoking lecture. He explained how motivation drives entrepreneurial spirit and how sound decision-making leads to sustainable business success. Dr. Dinesh also introduced students to the concept of green entrepreneurship, emphasizing the importance of adopting eco-friendly business models that promote sustainability and social responsibility. He encouraged the youth to develop innovative ideas that contribute positively to both the economy and the environment. The sessions were interactive, with students actively participating in discussions and sharing their views. The seminars provided valuable insights into the world of entrepreneurship and sustainability, leaving students motivated to think creatively and act responsibly as future entrepreneurs. The event concluded with a vote of thanks by Dr. Vijayanti Jakhar, who expressed gratitude to the Officiating Incharge, the resource person, and all participants for making the event a success. Total 53 students participated actively. Faculty members including Dr. Dayanand Arya, Dr. Manjeet Singh, Dr. Meena Rani, Kamalpreet Kaur and Mrs. Seema also participated in the event.

#### राजकीय महाविद्यालय मंगाली में सेमिनार आयोजित

नम-छोर न्यूज़ 04 नवंबर

हिसार। राजकीय महाविद्यालय, मंगाली के व्यक्ति विकास एवं प्लेसमेंट प्रकोष्ठ द्वारा आज प्रातः उद्यमिता प्रेरणा और निर्णय-निर्माण तथा हरित उद्यमिता: स्थायी व्यवसायों का निर्माण विषयों पर दो महत्वपूर्ण और ज्ञानवर्धक सेमिनारों का आयोजन किया गया। कार्यक्रम का शुभारंभ कलेज की प्राचार्या डॉ. अंजू चौधरी के प्रेरणादायक उद्घोषण से हुआ। उन्होंने विद्यार्थियों को संबोधित करते हुए आज के बदलते आर्थिक परिवेश में उद्यमिता के महत्व पर प्रकाश डाला और युवाओं को नवाचार, आत्मविश्वास तथा सम्यक्साधक सोच विकसित करने के लिए प्रेरित किया। कार्यक्रम का सफल संयोजन डॉ. विजयंती जाखड़, संयोजक व्यक्ति विकास एवं प्लेसमेंट प्रकोष्ठ द्वारा किया गया। उन्होंने बताया कि प्रकोष्ठ निरंतर विद्यार्थियों को पवित्र की चुनौतियों के लिए तैयार करने हेतु जागरूकता कार्यक्रमों और कोरसल-आधारित गतिविधियों का आयोजन करता रहता है। सेमिनार के मुख्य वक्ता डॉ. दिनेश कुमार, सहायक प्रोफेसर (वाणिज्य), एफजीएम सरकारी कॉलेज, आदमपुर रहे। उन्होंने बताया कि कैसे प्रेरणा उद्यमशीलता को भावना को प्रेरित करता है तथा प्रभावी निर्णय-निर्माण एक व्यवसाय को स्थायी सफलता को ओर ले जाता है। डॉ. दिनेश ने विद्यार्थियों को ग्रीन एंटरप्रेन्योरशिप (हरित उद्यमिता) की अवधारणा से भी परिचित कराया। उन्होंने पर्यावरण अनुकूल व्यवसायिक मॉडल अपनाते की आवश्यकता पर बल दिया, जो न केवल आर्थिक रूप से लाभकारी हैं, बल्कि सामाजिक उत्तरदायित्व और स्थायित्व को भी बढ़ावा देते हैं। उन्होंने युवाओं को ऐसे नवाचारपूर्ण विचार विकसित करने के लिए प्रेरित किया जो अर्थव्यवस्था और पर्यावरण दोनों के लिए सकारात्मक योगदान दें। कार्यक्रम का समापन डॉ. विजयंती जाखड़ द्वारा धन्यवाद ज्ञापन के साथ हुआ, जिसमें उन्होंने प्राचार्या डॉ. अंजू चौधरी, मुख्य वक्ता डॉ. दिनेश कुमार, सभी संकाय सदस्यों और विद्यार्थियों के प्रति आभार व्यक्त किया। इस अवसर पर कलेज के संकाय सदस्य डॉ. दयानंद आर्य, डॉ. मनजीत सिंह, डॉ. मीना रानी, डॉ. कमलप्रीत कौर और सीमा भी उपस्थित रहे। कार्यक्रम में विद्यार्थियों ने उत्साहपूर्वक भाग लिया और इसे अत्यंत सफल बनाया।
